Mars 2005

Dear Friends Delta Flyers,

A new year has started and this winter is almost over, so your Bureau is planning the events coming up in 2005.

We had some trouble to communicate with all members, but we hope that problem is finding a solution provided that you do not forget to inform us when you move or change your E-mail address.

My wish for this year is to find more members who are willing to

commit to an active engagement. We have in the past already made a request for volunteers in different fields, but I regret to say that we have not seen much enthusiasm. If you want your association to live, **YOU** have to keep it alive.

Last year we had a successful Delta Meet with the support of N° 2 Wing, but the burden of the organisation was rather heavy on the shoulders of a few.

For this year we are projecting to have a BBQ in a civilian environ-

ment as military installations are no longer available. We also consider to make a four day bustrip to the landing beaches in Normandy.

Normally we should have had a General Assembly to elect a new Board of Directors in Apr. 2004, but as that period was rather busy with the preparation and the wrap-up of the Delta Meet, it was decided to postpone the General Assembly till Apr. 2005.

We count on your presence.
